KeyFolio® Fit Universal 10” Tablet Case for Windows® — Black

K97345UK

Product Description

With so many 10-inch tablets available in the market, finding a keyboard case that’s versatile enough to fit all the slight dimension changes is more important than ever. That’s why we developed the KeyFolio Fit for tablets running Windows®. A silicone 4-corner base uses stay straps to securely keep the tablet in place. The integrated keyboard syncs fast to your tablet through a Bluetooth® connection and offers 6 rows of high-performance scissor keys so you can type with optimal productivity. Soft interior lining keeps your tablet protected from scratches and damage, and a magnetic flap keeps the case securely closed when you’re on the go.

Features

- Integrated Bluetooth® keyboard with 6 rows of high-performance scissor keys
